

REMARKS

No amendments to the claims are being made by this paper. The attached listing merely corrects an inadvertent typographical error in the last submitted revised claim 9. The embodiment "DN2*" had been deleted in the amendment of November 1, 2002 and thus has not existed as part of claim 9 since that date. Its listing in claim 9 in the Amendment of April 14, 2003 has no significance and is the result of a simple typographical error.

It is believed that no fee is required for this retyping of the claim listing. However, if a fee is due, the Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
